

Weekend Homework

Grades 1 to 10

Chess

Z3/ OISTWD/Cir.NO/2024-25/48

August 6, 2024

Dear Parent / Guardians,

With the aim to empower our children to become confident problem solvers through engaging and interactive practices conducted at home, we are delighted to announce the **Weekend Chess Homework** for our students of **Grade 1 to 10**. We eagerly anticipate seeing our students enjoy this enriching activity.

Please Note: All children have to register their names by Wednesday, 7th August 2024

Aim of the Weekend Chess Homework	
<ul style="list-style-type: none">To make learning fun and interactive through Weekend Chess Homework, enhancing students' critical thinking.To develop our students' problem-solving skills, and concentration.	
Learning Outcome for Students	
<ul style="list-style-type: none">Engaging: Fun activities that capture students' interest.Educational: Enhances Academic learning.Flexible: Can be done at your own pace, perfect for family bonding time.	
About The Homework	
<ul style="list-style-type: none">Weekends are a time of enjoyment in many ways. Some love weekends because they have a break from school, some enjoy them because they get to spend more time with family and friends, some appreciate the extra time for their favorite activities, and the reasons are infinite.This homework revolves around making the most of your weekends.
